# UIA STRUCTURE

August 2008

Gaëtan Siew

# Vision & Mission

## Vision & Mission

### Vision

*Building a better environment for humanity*

### Mission

*Unite architects to better serve society  
by enhancing their professional resources and skills*

# Vision & Mission

## Five Missions Principles

**VISION**  
Build a better Environment for Humanity

### POLICIES

*To transform the present UIA into a unique world recognised body for the profession and for Architecture*

- International Standards
- International Policies
- International Architectural Observatory
- Plan the future

### ADVOCACY

*To promote better recognition of Architecture and Architects  
To make our action more pertinent and coherent whilst recognising the great diversity of cultures, challenges and practices.*

- Promote Architecture
- Promote Architects
- Reinforce our Network of Strategic Partnerships

### CAPACITY BUILDING

*To establish a solidarity and cooperation network among architects of the world.  
To speed up change to achieve targets set by UIA policies*

- Education
- Professional Practice
- Knowledge Sharing
- International Cooperation

### REPRESENTATION

*To become a powerful communication network*

- External Representation
- Engage UIA Membership
- Expand UIA Membership

### DEVELOPMENT

*To strengthen and develop UIA.*

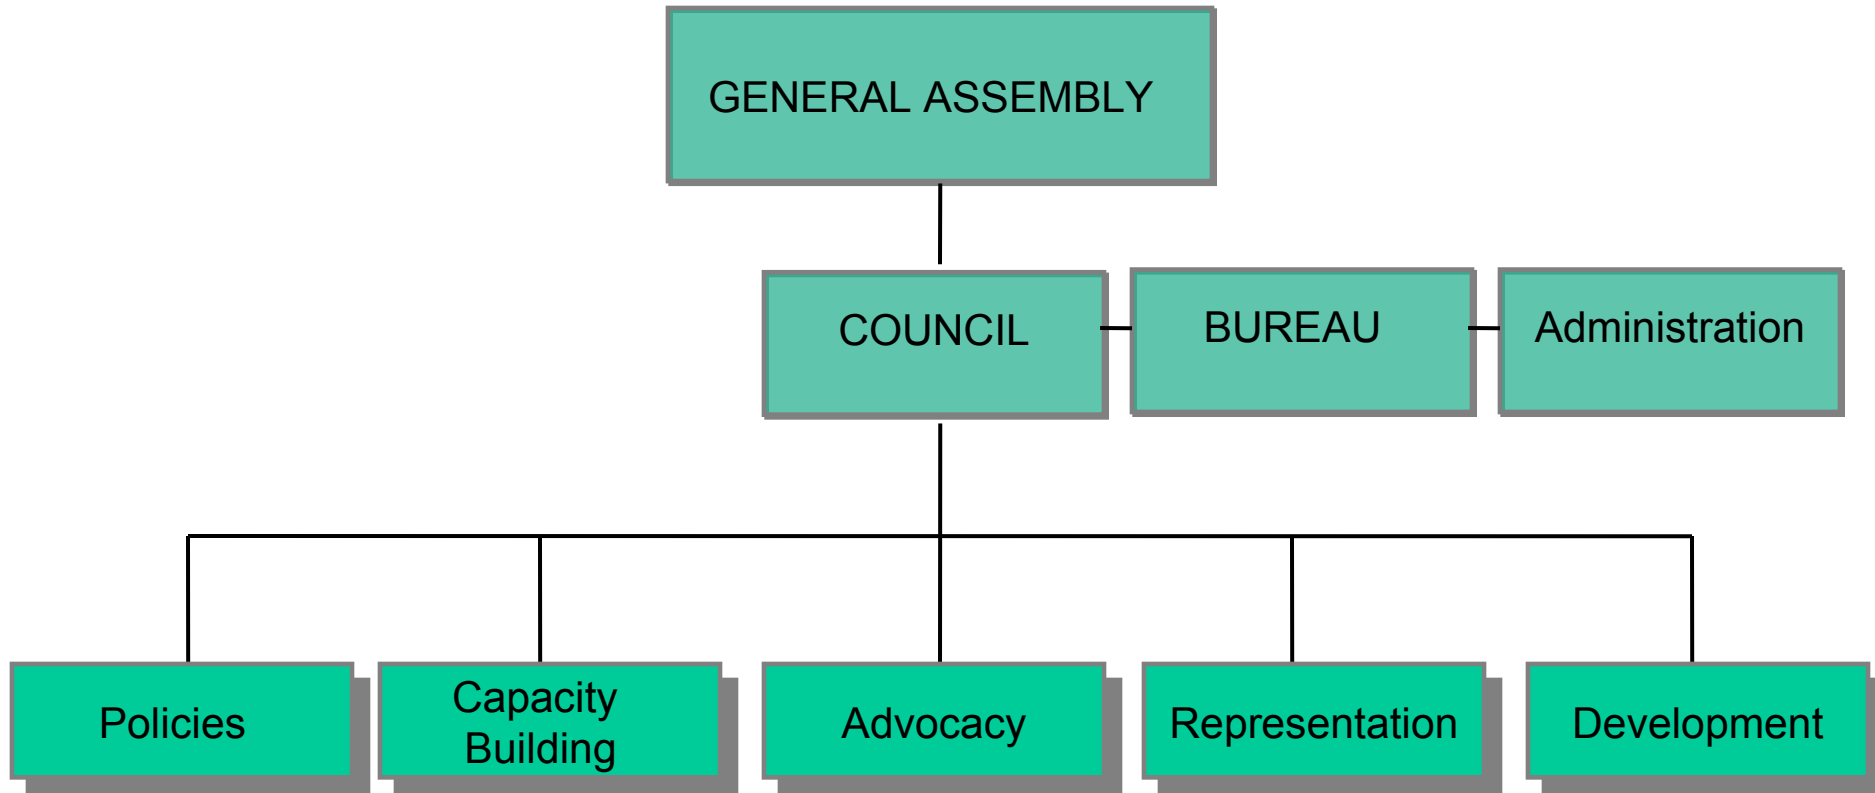

- Reinforce the Organisation
- Sustainable Resources
- Reinforce our Network of Commercial Partnerships
- Manage all the partners' agreements
